

# ITIL Foundation

## Course Description & Overview

SecureNinja's expert ITIL® foundation training and certification boot camp in Washington, DC, San Diego, CA or live online is an exciting and dynamic (3) three-day course, fully updated for ITIL. This course introduces learners to the life cycle of managing IT services to deliver to business expectations. As well as an engaging, case study based approach to learning the core disciplines of the ITIL best practice, this course also positions the student to successfully complete the associated exam, required for entry into the future ITIL intermediate level training courses.

The ITIL best practice is composed of five core disciplines: Service Strategy, Service Design, Service Transition, Service Operations, and Continual Service Improvement. These disciplines represent a service lifecycle framework that further enhances alignment to the business while demonstrating business value, ROI and enabling IT to solve specific operational needs.
