

Corporate On-site Training

Join hundreds of small, medium and Fortune 500 companies, DoD, Federal Agencies and Systems Integrators who prefer bringing SecureNinja on-site to provide quality classroom training to their employees. You will realize REAL savings by eliminating travel, accommodations and meal costs for your personnel as well as minimizing staff downtime. For added convenience, we also perform on-site testing for many popular vendor neutral and vendor specific certifications through our partnerships with Pearson Vue and Prometric and other test vendors. You will receive the same ninja skills at your office as you would by coming to one of our brick and mortar classroom locations.
