

24/7 Live Mentoring

With Interactive Mentoring you can train around the clock, from anywhere. We have certified online instructors available to answer any of your technology related and soft-skills questions 24x7. So you have access to a subject matter expert anytime, and it enhances your learning and training significantly.

Our Interactive Mentoring features:

- Online Interactive learning
- Access to Subject Matter Experts 24/7
- Enhanced chat Dashboard
- Call me Support

You can add this feature to your course during the checkout process to enhance your learning!
